

# IOSH WORKING SAFELY

## INTRODUCTION

Working safely is a one-day course for people at any level, in any sector, needing a grounding of health and safety. The working safely course is recognised as a level 1 award in health and safety in a construction environment and is recognised as an entry level health and safety qualification in all industries.

## WHO SHOULD ATTEND

Drivers, warehouse staff, production staff, supervisors and managers who need to gain an understanding of health and safety or who wish to demonstrate that they value health and safety.

## COURSE CONTENT

- Introducing working safely
- Defining hazard and risk
- Identifying common hazards
- Improving safety performance
- Protecting our environment

## NUMBER OF DELEGATES

Maximum of delegates

14

## DURATION

1 full day

## CERTIFICATION / QUALIFICATION

Each delegate will be assessed with a multiple choice test and 3 hazard spotting exercises carried out by the instructor. Successful delegates will receive an IOSH Working Safely certificate
